HOW TO HURDLE BARRIERS AND EXCEL LIKE NEVER BEFORE

*A presentation that touches hearts
and changes lives*

Secretary of State Colin Powell:
*“You can be very proud of the good work you
are doing. I highly commend your efforts.”*

*“I have been in organizations spending
upwards of \$125,000 for keynote speakers and
Paula Fellingham outshines them all! She is a
meeting planner’s dream and an incredible
return on investment. I have found I can always
depend on Paula. We hire Paula often. Why?
Because we can trust her to deliver highly-
interactive, engaging presentations.*

*In today’s world it is not just about
entertaining attendees. We as meeting planners
must deliver high-value content which attendees
can immediately apply to improve their careers
and businesses. That is exactly what Paula gives
us 100% of the time, every time.”*

Believe It! BECOME IT!

I share with audiences valuable principles to help them succeed in every area of their lives. They learn how to create positive changes that result in higher levels of happiness, productivity, and meaningful contribution to others.

Audiences leave with a clear understanding of:

How to consistently believe in themselves and in their gifts and talents

How to release themselves from damaging beliefs of the past

How to transform negative thinking into positive thoughts

How to control their thoughts, words, and actions

How to reclaim and build personal power

How to radiate joy and confidence

*How to **set high, achievable goals** and surpass every one*
*How to **become more effective and efficient** using less energy*

*How to vividly **imagine their ideal selves** and act “As If” while they are becoming that outstanding person*

Stimulate your organization to new heights of excellence and passion in every area...then stand back and watch your results: unparalleled, organization-wide success!
